

Extreme  
Durability  
Super Gloss

### EchoFloor Finish

This floor finish has extreme durability. Ease of application and maintenance are the outstanding features of this product. This floor finish has a high shine and responds well to any maintenance program.

**CL33410, 1 gal, 4/cs**

- Advanced “Wet-Look” floor finish formula
- 22% solids
- For use on all types of resilient and non-resilient floors
- Ultimate “high-shine” finish solution

Fast Action  
Stripper

### Conquer High Power Floor Stripper

This product will easily strip all types of floor finished and waxes, including modern detergent resistant polymers. Its low sudsing action will reduce your stripping and rinsing time. It is also useful as a heavy-duty general purpose cleaner.

**CL33420, 1 gal, 4/cs**

- Advanced super concentrate formula
- Cutting edge floor stripping technology
- Use on all types of resilient and non-resilient floors
- Easy strip solution
- Removes all classes of finish

Daily  
Cleaning/  
Mopping

### Warrior Neutral Cleaner

The latest development in a time-saving product for cleaning and brightening any hard, glossy surface and finish-floors, tile, enamel painted walls, porcelain, and more.

**CL33430, 1 gal, 4/cs**

- Advanced Neutral Ph formula
- Does not dull or harm finish
- Contains optical brighteners for added shine
- Pleasing lemon fragrance

Stripper  
Neutralizer

### Balance Neutralizer Rinse Agent

One step neutralizing rinse agent, for use prior to applying finish. Completely neutralizes surface to ensure finish adheres to surface

**CL33440, 1 gal, 4/cs**

- Minimizes repeated rinsing after stripping, before applying finish
- Advanced floor neutralizing technology
- Safe on all types of resilient and non-resilient floors
- Takes the guesswork out of rinsing, leaving a Neutral Ph surface
