The Smart Choice

No more wads of seat covers on the floor or clogging the toilet.

Infections like E. coli and staph can be passed by contact with public toilet seats. The layer of protection disposable toilet seat covers provides peace of mind and helps reduce the spread of germs.

Comes in Two Sleek Colors for a Modern Look

Money-Saving Features

No More Wasting Toilet Seat Covers

Easy-to-use with no tugging, tearing or unfolding required. Goes right from the dispenser to the toilet seat.

Easy Dispensing Mechanism

Dispenses covers one at a time with just a flick of the finger.

Only Need for One Cover

NeatSeat™ covers measure 15-1/2" x 16-1/2". Big enough to cover virtually all standard toilet seats.
